Product Description: Air Whiteboard is a frameless magnetic writing board available in white or soft grey. Concealed fittings and clean, bevelled edges give Air the appearance of floating on the wall. Air is made from 99% recyclable ceramic steel and has a 30 year warranty. Air Spaces was designed with the idea of connecting multiple Air Whiteboards to create a large continuous writing surface. Air can also be complemented with Air Textile modules, a tackable and acoustic textile covered board.

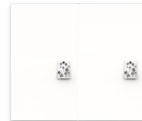

Dimensions: Refer to price chart below. Total depth from wall 0.63" (concealed fittings included)
