

BOB HOME

MANUFACTURER: Blå Station | DESIGNER: Bernstrand & Borselius

With deep, soft cushions, BOB Home is a customizable modular sofa system that provides a relaxing at-home feel. The modules and configurations allow the system to curve in, curve out, line up straight, or piece together to create a luxurious sofa or armchair. All modules are constructed with a wood frame, molded polyurethane foam, and upholstered in fabric or leather. The BOB Home modules have built-in connection fittings and plastic glides.

BOB Home is eco-friendly. For sustainability certifications, refer to the [product page](#).
