

BIG TALK

MANUFACTURER: Blå Station | DESIGNER: Adam Goodrum

Big Talk earns all of its bragging rights. The inviting, circular throne redefines the art of lounging. Designed to stand alone or grouped together - Big Talk offers a range of sophisticated pairings to accommodate a variety of interior spaces. When joined, the lounge chairs create a modular love seat in a beautiful, undulating spectrum of colorful bands. The seat and backrest are shaped out of molded polyurethane foam, and the seat has No-Sag springs to provide comfort and extend the lifespan of the product. The footplate is finished in black lacquered steel.
