

BOUQUET [boo-kay]

MANUFACTURER: Karl Andersson | DESIGNER: Jesper Ståhl

A round table that provides ample legroom, the beauty of Bouquet radiates through its impressive craftsmanship and artistic design. Sturdy and built to last, Bouquet has a veneered MDF top and solid wood legs with adjustable feet on the legs. The legs, grouped by a central plywood knot, create a trestle and fascinating geometrical frame. Various finishes are available on the veneer top and solid wood legs. The plywood knot grouping the legs is black lacquered.
