

MOPSY

MANUFACTURER: Karl Andersson | DESIGNER: Markus Johansson

Mopsy is a visually dynamic occasional table. The charming contrast between the round and square tabletops together on a four-legged frame creates a captivating composition. Mopsy is striking individually or, because of its two-tiered top, can nestle together in groups to form an exciting arrangement and table grouping. The solid wood birch, ash, or oak table is available in different sizes and various finishes.
