

MOTUS

MANUFACTURER: Materia | DESIGNER: Marie Oscarsson

The Motus chair and stool series adds movement and energy to interior spaces. The curved upholstered, slightly forward-leaning seat allows multifunctional seating solutions for occupants. Created for personalized comfort, Motus allows upright seating or astride and is on castors permitting users not to be stagnant. Motus has a tubular steel frame in various trendsetting colors and is available at dining and counter heights. The seat and backrest have molded foam padding. Motus has black casters with intermittent brakes.

Motus is eco-friendly. For sustainability certifications, refer to the [product page](#).
