

PAX

MANUFACTURER: Materia | DESIGNER: Fredrik Mattson

The Pax chair was developed to respond to the human body's flexibility to guarantee comfort. The chair's voluminous shape ensures maximum comfort while maintaining a slender physique. Pax has an injection molded polypropylene seat shell, with or without an upholstered seat. The tubular steel frame has a 4-legged or sled base. Available in various hot hues and subtle neutrals, Pax lends the conference room comfort and delivers sophistication to the modern cafeteria.

Pax is eco-friendly. For sustainability certifications, refer to the [product page](#).

GUEST + DINING - CONFERENCE
