

# PIXEL FRAMED

**MANUFACTURER:** Nordgröna | **DESIGNER:** Joris Oudendijk, Oscar Pressfeldt, and Sander Oudendijk

Pixel Framed transforms nature into art. Pixel cubes, made from natural Scandinavian reindeer moss, are bordered with a solid oak frame to create a work of art. The handpicked moss within the frame is sound-absorbing, completely maintenance-free, and comes in 15 colors. Pixel Framed is available in one solid color or as a custom design. Offered in three different sizes, positioned vertically or horizontally, Pixel Framed makes for exquisite artwork.
