

POCKET

MANUFACTURER: Blå Station | DESIGNER: Stone Designs

Pocket provides a peaceful place to restore energy with a bonus compartment to store belongings. The comfortable lounge chair contains the clutter of personal items with a spacious storage shelf underneath the seat. The upholstered shell expands upwards and rests on angled black steel legs to lend a cozy yet stylized seating oasis. Pocket has a steel frame, the seat has no-sag springs with foam padding, and can be upholstered in fabric or leather.
