TINNEF [tin-eff]

MANUFACTURER: Skandiform | DESIGNER: Charlotte von der Lancken

Plastic waste becomes anew in the form of the remarkable Tinnef occasional table. The table is an exceptional advancement in environmental innovation. The top is 100% manufactured from recycled plastics such as plastic cosmetic bottles, yogurt containers, or medical packaging. The Tinnef occasional table's intriguing top comes in solid wood or recycled plastic with solid wood legs and plastic glides.
