

TRAYO [tray-oh]

MANUFACTURER: Karl Andersson | **DESIGNER:** Anton Björnsing

Trayo is an attractive, functional tray table for serving, display, and storage purposes. The mod steel frame contrasted with the warmth of the round wood trays is stunning. Trayo has leather-wrapped handles to lend luxury and is on castors for a smooth transition. The veneered MDF serving trays are available in solid ash or oak with various finishes. The steel frame comes standard in matte chrome.
