

YARN

MANUFACTURER: Materia | DESIGNER: Mia Cullin

Yarn entangles nature and design. Designed from the heart and crafted by the hand, the guest and dining chair brings humanity back into furniture. The mod physique and minimalist frame highlight the intricate hand-braided chair back detail crafted from hemp strings. Yarn has a plywood seat, and the upholstered seat and back cushions are padded with a layer of hairlock (60% horsehair and 40% natural latex), needle felt, and wool. The frame is made from recycled steel tubing and is offered in 11 colors.

Yarn is eco-friendly. For sustainability certifications, refer to the [product page](#).
